Laura Bartee serves as Greenleaf Health's Executive Director of Operations, Regulatory Compliance, bringing with her more than ten years of experience as an administrative professional and demonstrated success in managing office operations, corporate events, and customer experiences. Prior to joining Greenleaf, Laura served as Legal Personnel Coordinator in the Washington, DC office of Cleary Gottlieb Steen and Hamilton LLP ("Cleary").

Laura spearheaded the onboarding and training of new associates and worked with the recruiting team to plan the Summer Associate Program. She also played a significant role in executing the firm's professional and social events. Prior to her work at Cleary, Laura served as Utilization Coordinator for the Northeastern Region of Tennessee for Enterprise Rent-A-Car, facilitating the distribution of new cars throughout the region, as well as the removal of used cars from the fleet. Laura also managed the region's team of drivers, efficiently allocating them to add and remove cars from the region's rental offices. Laura began her career at Enterprise Rent-A-Car as an Assistant Branch Manager in various rental branches throughout the region. Laura received her undergraduate degree, with Honors, from King University (formerly King College) in Bristol, Tennessee.
